

## **An A to Z of fun things to do without leaving the house**

Staying at home doesn't mean life has to be boring. There are plenty of welcome distractions to be found, and the following BBC bite size website has gathered 26 of them in one place. If you love lists, you can work through this alphabetically as there's one for every letter. Or, simply pick a few which catch your eye and have as much fun with them as possible.
